

## THE CAVENDISH HOTEL

I hope you can find something which pleases on this latest version of our list. I have tried to be as representative as possible of both grape varieties and countries of origin, within the confines of a fairly compact list of just over 100 bins including ports.

You will find many classics, for example Chablis by Vincent Dampit and Sancerre by Franck Millet, a great drinking Pomerol with the fantastic Chateau St Pierre. Gradually we have introduced some superb and not so widely recognised 'eclectics'; the Melodias Winemakers Selection Malbec from Argentina, or a stunning Cabernet Franc by Humberto Canale from Patagonia.

We have extended our selection of 'Fizz' and now feature the superbly fine Billecart-Salmon Brut Reserve alongside five 'sparklers' two of which are very creditable English offerings from Nyetimber and Ridgeview from Sussex.

In an attempt to simplify the layout of the list both whites and reds have been categorised into three basic headings; light, medium and full-bodied. Our range of 12 wines by the glass plus Champagne, sparkling and dessert wines by the glass can all be found on their own page at the end of the list.

*Happy perusing!*

### AMARONE VALPANTENA Bertani, 2014, Veneto, Italy

	125ML	175ML	BOTTLE
	£9.75	£13.50	£59.50

The Bertani winery was founded in 1857 by the brothers Giovan Battista and Gaetano Bertani, in Quinto di Valpantena, north of Verona. Gaetano was an expert in the art of winemaking, having learnt new techniques in France from Professor Guyot, still considered a leading expert in viticulture today.

Bertani was one of the first companies in Italy to understand the value of bottled wine; huge investments were made to bottle and export all over the world. The quality of Bertani wine asserted itself straightaway for its elegance, so much so as that the Soave was on the menu at King George VI's coronation in England, in 1937.

In the middle of the twentieth century, Bertani put into effect the half-century long study to produce “the Wine”, made to last forever. This was the start of Amarone, the iconic wine from this area, with the first vintage dating back to 1958.
