

BOLTON ABBEY WEDDINGS

Your happily ever after begins in the Yorkshire Dales

Located on the Duke of Devonshire's 30,000 acre Bolton Abbey estate in the Yorkshire Dales, Devonshire Hotels & Restaurants have everything you need to create a romantic 'Yorkshire Wedding'.

Each of our properties have their own special features, giving you the choice of three amazing wedding reception venues in spectacular countryside settings.

Our award-winning dining and warm hospitality create the perfect combination for a truly memorable day, not forgetting our experienced wedding team who will be on hand throughout the planning process providing seamless organisation, advice and supplier recommendations.

Virtual Wedding Fair

The recent lock-down has disrupted our lives on an unprecedented scale and has meant that many weddings have been put on hold and businesses of all sizes have been affected.

We were disappointed to cancel our two scheduled wedding fairs in April, as we'd planned to showcase our wonderful venues and introduce a selection of local suppliers to you - providing some inspiration to your wedding preparations!

Just like many of you, both our wedding team and local suppliers are still working from home and are ready to help you plan a day to look forward to. We know that there will be lots of newly engaged couples isolated at home still working hard to plan their big day – so we thought it would be the perfect opportunity to team up with local businesses to bring a wedding fair to you in your own home!

We are proud to work with a selection of the very best local professionals, from photography experts to florists and stationary queens to cake makers, who we know share our values and are passionate about giving the best experience to their clients.

Please read on to discover a world of inspiration and help to support our lovely team of local suppliers.
