### Bollinger

### Veuve Clicquot

What has defined the wines of Veuve Clicquot since 1772 is not a recipe that is repeated year after year, but a complex alchemy which requires many different ingredients: the vagaries of the weather and the fruit of the harvest, the diversity of Champagne parcels, grape varieties and most importantly, the effect of time.

421 Veuve Clicquot, Ponsardin Brut NV £100.00

### Dom Perignon

Vintage Only. Each wine is created from the best grapes grown in a single year. To constantly reinvent itself with the changing of the seasons. To dare not to release the vintage when the Standards aren't met. That is Dom Perignon.

423 Dom Perignon, 2009 £250.00

### Taittinger

Champagne Taittinger relies primarily on estate grapes for its portfolio of Champagnes. Also unique are the higher proportion of Chardonnay in its wines that gives Taittinger its signature style, and the time devoted to aging the wines before release – most often greatly exceeding the legal requirement, in a practice that also has become a Taittinger hallmark.
