### Tithe Barn/External Wedding Accommodation Frequently Asked Questions

- **Bedroom Rates:** At the Devonshire Arms our best available rates for any date are available online 12 months prior to the date. The rates may include dinner depending on our availability and the day of the week.  
On Sunday to Friday dates we are able to offer 5 B&B rates per night (any room category can be booked), bookable on a first-come-first-serve basis.  
At the Devonshire Fell we offer all 16 bedrooms exclusively for your party including food on one of the evenings. Friday and Saturday's aren't bookable until 12 months prior and are subject to availability at this point due to hosting our own weddings and events all year round.  
Please be aware the food cost cannot be deducted from either property even if not required – this is due to the hotel operating their own restaurants and private dining facilities which would displace leisure spend for us as a business.
- **Check in & Baggage:** Check-in to our hotels is from 4pm however guests are welcome to drop any bags off at the hotel prior to the wedding and these can be stored securely with our concierge team. Guests are also welcome to leave their cars at the hotel prior to departing to the wedding if walking or if other travel has been arranged.
- **Returning to the hotel:** The Devonshire Arms reception is manned 24 hours a day so on your return back to the hotel you are able to have a night cap prior to bed. For the Devonshire Fell, we kindly request guests return no later than 1.30am as the hotel does not offer a 24 hour reception service. Drinks on return can be arranged for an additional £50 until 2.30am, subject to availability.
- **Special extras included for booking with us:** Sadly we can't offer any discounted rates for your party however all residents can receive a complimentary pass for the Bolton Abbey estate car parks and 10% off at the Cavendish Pavilion Riverside Café and gift shop. Residents also have the chance to unwind in our Devonshire Spa which is situated opposite The Devonshire Arms, Bolton Abbey (booking essential for access and treatments).
